*Re: Prince Allen Marsh vs. Delaware State University  
Case No. 05-087 JJF*

*Dear Honorable Judge Farnan*

*May this correspondence find you in the up most of health.  
Please accept my apologies for the initial time it has taken for me to  
respond to the defendant's motion at the present time I require additional  
time to respond. Therefore I am requesting an extension.  
My mother has fallen ill in addition my grandmother had a stroke and I am  
the only financial support for my family. I barely have time to sleep taking  
care of my children, mother and managing the household.  
I would greatly appreciate the most amount of time you can afford me to  
continue research pertaining to the case against Delaware State University.  
I am sure your honor can appreciate that the defendant has an attorney  
whom is educated in the practice of law and I as a pro Se litigant am not.*

*I would greatly appreciate information on how I go about requesting  
counsel to review and expedite this case that it may be fair and just.  
If you'd care to you may contact me at home (914 739-0745 or (914 557  
0745 cellular phone.)*

*I look forward to hearing from your Honor .*

*Respectfully Submitted,  
Prince A. Marsh*
